## Comments Report

### 1. THE COURSE

#### 1.3) Comments on class activities:

- Always very interactive and enlightening.
- I liked doing blogging. It was different and interesting to be able to see everyone's views.
- I really enjoyed this class. It never failed to be entertaining yet educational.
- The class activities were difficult at times but it was only because it was challenging us to think outside of the box.
- Unique and helped make ppl think critically

#### 1.6) Comments on class discussions:

- Great class discussions!
- The Class discussions took place regularly.
- The class discussions were one of my favorite parts of the class because it was interesting to hear what other students had to say about the same piece of work.
- Very in depth. We always viewed all sides of issues.

#### 1.9) Comments on exams/ quizzes/ tests:

- Fair and allowed us to improve upon them
- I loved that they were take home test which allowed me to form well written responses without feeling pressured with a time limit.
- The mid term and final were difficult but they are still fair.

#### 1.11) Comments on course organization:

- A little confused at times but she always explains.
- A little confusing at times with the blogs, but she allowed us extra time to finish them and always kept us updated.
- organization was good except for the periodic technical problems that the room had. Not teacher fault

#### 1.14) Comments on course pace:

- Pace was good and steady

### 2. THE PROFESSOR

#### 2.2) Comments on presentations/ explanations:

- Always made sure that we as students fully understood the work and concepts.
- She always elaborated on concepts that were a little hard to grasp at first, which helped me a great deal.
- The slide shows presented were very helpful.
- power points helped understand and explain about the material

#### 2.5) Comments on enthusiasm:

- She knew what she was talking about, which made the subjects easier to understand.
- She was very passionate and knowledgeable about the subject and seems to really love sharing that with her students!

- This wasn't a class that I didn't want to go to. Even though it was from 6 to 950 I still looked forward to attending this class.

- professor was always enthusiastic about the material

2.8) Comments on interest stimulated:

- Because of this class I have started to look at things in a new way. It wouldn't have happened if it weren't for this course.

- She really opened my eyes to some ideas and concepts I had never even thought about before.

2.10) Comments on interactions:

- She always made herself available.

- always called on ppl with for class interaction

- she always tried to involve everyone in the class discussions.

2.13) Comments on feedback:

- I was never left wondering what I could improve on and she gave us many opportunities to revise our work.

- It was nice to always know we could go back and fix our work.

- feed back was always done on works and helped

2.16) Comments on challenge:

- Constantly introduced new material.

### 3. Additional comments

3.1) What aspect(s) of your **classroom experience (course, professor, etc.)** helped your learning most?

- Classroom discussions were always very helpful and the material such as movies and articles were extremely interesting.

- The class discussions and activities

- The powerpoints and the picture slidehows as well as movies.

- The slide shows, class field trips and discussions were a great part of the class.

3.2) What aspect(s) of your **classroom experience (course, professor, etc.)** could have been changed to help your learning?

- Absolutely nothing except I wish we had longer than a semester to continue on the subject. I am sure there is much more to explore in the area of Visual Literacy.

- I now know how to analyze art.

- We kept having problem with the projector a lot but that's a problem with UT not professor Davis.
